SUBJECT: NATIONAL DISLOCATED WORKER CONFERENCE 2000

This information bulletin is to encourage your participation at the National Dislocated Worker Conference, to be held in Minneapolis, Minnesota, October 10-13, 2000. Funding for your participation is available from your Title I, 25 Percent, Rapid Response allocation. We will provide additional detailed information in an information bulletin when it is available.

The Conference is being planned by the National Dislocated/Rapid Response Workgroup, in conjunction with the Trade Taskforce, to assure this mandated partner's responsibilities for dislocated workers are integrated in the workshop offerings. Other stakeholder groups are expected to co-sponsor the Conference, which will focus on changing dislocated worker issues. The Conference program offerings will address the key areas of policy, service strategies, performance measures, and One-Stop partnerships.

Additionally, this Conference will present valuable information regarding the "first year" under the Workforce Investment Act presented by early implementation states.

If you have other questions, please contact Steve Saxton, Manager, Program Section, at ssaxton@edd.ca.gov or (916) 654-6425.
